HOW IT WORKS:

- Swipe a credit or debit card to open chamber and plug in mobile device, close chamber
- Chamber turns green when fully charged, appears red when not yet fully charged
- Return to swipe the same card to retrieve charged phone

WHAT'S IN IT FOR YOU AND YOUR COMPANY?

- An innovative way to promote your brand
- Includes a fully customizable screen, great for brand promotion

- Delivers valuable benefit that improves guest experience and increases satisfaction, driving repeat customers
- Drives foot traffic and promotes in-venue sales conversion
- Includes access to an online sales and support portal to track analytics and usage

ADDITIONAL INFORMATION:

- Only requires a standard 110V power outlet and internet access
- Unit measures: 33" x 13" x 6" and weighs 33 lbs
- Pricing options (per charging session) range from \$0.99 to \$4.99
- Offers unlimited charging session time for the duration of event or operating hours
